 When Pequea Valley School District has a delay or school closing, Time Out will be canceled

**TIME OUT** is designed to reach out to women of all ages, within and beyond the Ridgeview community.

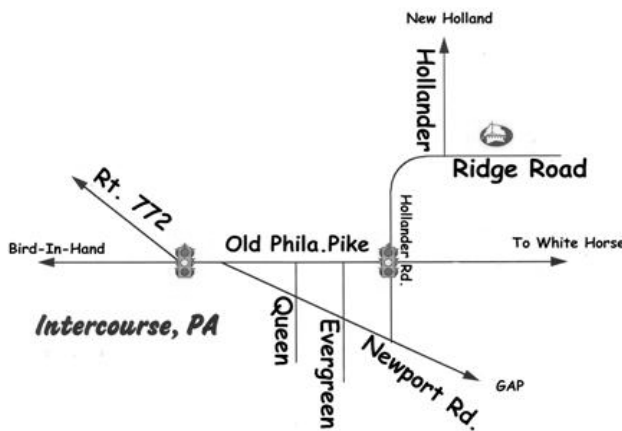

We strive to provide a welcoming environment so that women are encouraged to establish meaningful relationships with other women. We hope to provide programs that enrich women's lives with thought provoking topics, crafts, and speakers.

Our childcare program gives children the opportunity to have positive social interaction in a safe and supportive atmosphere with enthusiastic teachers who encourage learning.

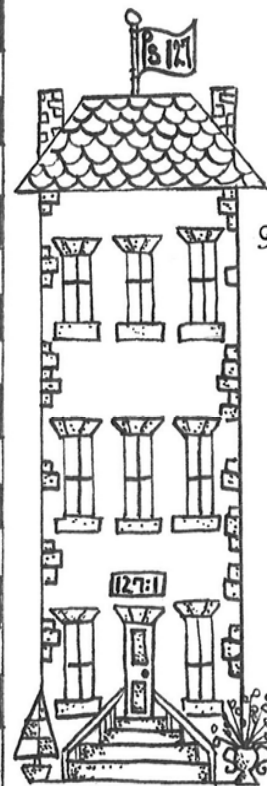

We hope to share the wholeness we have found in Christ with others, and to honor and glorify him in every aspect of our program.

Please join us. We look forward to making new friends and providing a caring, supporting group, whatever your life situation may be. If you are looking for good fellowship and/or need a morning break, we welcome you!
