FENCING ANYONE? Are you, or members of your family, interested in learning the sport of fencing? Fencing is considered a life-long sport because of its low impact and good aerobic exercise. Though fencing is based on ancient sword play, it is one of the safest and most enjoyable sports for any age, and focuses on agility and control. Long-time fencer Mark Emerson of Ephrata (former member of Ridgeview Mennonite Church) is offering free classes at the MCC Welcoming Place in Akron. All persons ages 13 and up are invited to participate. The goal of the class is to have fun and get a good workout. Classes are designed for new learners to intermediate level. Contact Michael Bentivogli if interested and for more information.

NOTE...the bulletin will be printed Wednesday (July 2) this week.
Joyce will be out of the office Thursday & Friday.
