ANNOUNCEMENTS

CONNECTIONS CAFÉ is a ministry idea that was born out of the need for internet access in the Pequea student body matched with Ridgeview's resource of building and internet connection. All students in the school district are given an electronic device and many assignments are completed and submitted online, but many students do not have internet access in their homes. The mission of Connections Café would be to support 7-12th graders in the Pequea Valley School District by providing a safe and welcoming atmosphere to connect with the internet, peers and caring adults as they study/complete assignments. Your feedback is important to us. In the next several weeks, Valerie, Robert or Audrey will be visiting your Sunday School class to tell you more about the proposal, answer questions and engage interest in this type of ministry.

STEWARDSHIP UNIVERSITY will be held on Saturday, March 2. One of the workshops is about building family resilience - specifically, how relationships heal. Bekah Bowland and Sarah Kim, both from Bridge of Hope, will explore resilience, trauma and its causes, and the responses to trauma people may have. If interested in attending, contact Etta Esch, the303esches@gmail.com or 717-808-2855

MENNONITE SCHOOLS COUNCIL (MSC) Choir Festival will be hosted by Lancaster Mennonite School this spring. We are looking for persons willing host students/sponsors from Rockway Mennonite School from Canada. Host responsibilities include beds and breakfast for April 12-14, transportation to and from Ridgeview or LMH, and an evening meal on the 14th and breakfast on the 15th. Child Abuse Clearances are required for hosts. If you do not have one, Ridgeview will assist you in getting one. More details and a signup sheet are on the lobby table. While hosting does require time and energy, it is also a wonderful opportunity to connect with and support our faith community from Canada.
