Call to Worship: Paul's description of God to the Athenians

L: God made the world and everything in it. Lord of heaven and earth who is not housed in man-made temples, nor has needs served by human hands.

P: God gives life and breath to everything and satisfies every need.

L: From one ancestor, God made all nations to inhabit the whole earth and allotted the times of their existence and the boundaries of the places where they would live. God's purpose was for the nations to seek after God and perhaps feel their way toward him and find him—though he is not far from any one of us.

P: For in God we live and move and have our being.
