Scripture Journey: A task assigned Pastor Audrey

Group Discussion
"God calls us to learn and share together God's love with all of creation". At this moment in time we live into this purpose in some specific ways.....

1. Part of that task is nurture and grow our relationship with God personally and corporately. Plan and facilitate church services and programs with input, sharing and discussion/discernment that fulfills our God-given mission.
2. Another part of that task is to demonstrate our love for God in how we care for and support each other. Providing educational and community building opportunities as we care for and support each other in our mission.
3. Finally, that task includes loving the world that God so loved and that Jesus gave his life for. The love we give up to God and nurture in our community must flow out to those around us.

Ways in which we are already engaged in God's mission.....

- 55 Alive Program for Ridgeview participants and persons in the geographical community.

- Partner with Branch Community for an expanded kingdom witness and commitment to the prayer of Jesus for his followers to live in unity
- Sharing our facility with others in the community (such as the fire company)
- Practicing creation care on our campus
- Community justice ministries through the Caring Fund and special support as needed for Ridgeview participants and others in the community.
- The Food PAC Program and connecting with The Factory for social justice and community ministries.
- Financially supports Anabaptist Christian programs beyond the congregation

Reflecting on these lists, did we miss anything? Do you notice anything?

Thinking of yourself, what are you drawn to?

Thinking of our congregation as a whole, what are we well suited to do?
