The monthly Tuesday group took a picturesque Viking River Cruise on the Rhine with Don and Doris Neff.

Through their pictures, we visited Amsterdam, a land of canals and bikes, the Anne Frank house, windmills, cheese-making dairies. After that it was on to Germany where they visited a cathedral which took 600 years to complete. In WWII, the stained glass windows

In France, it was the Notre Dame Cathedral with its famous "eye of God" stained glass and the Alsace area with the Black Forest and the world's largest cuckoo clock and a John Deere plant!

In Basil, Switzerland, the Neffs met their adult children to discover their Hershey and Neff ancestry. The stories of finding the reformation and Anabaptist family connections, of being exiled and persecuted are common for many Lancaster County Mennonites.

Just as Henry Benner had noted about the persons who settled this county, the Neffs saw the profound influence the immigrants brought with them, i.e., the precision and orderliness in farming and landscaping.

The morning ended, as usual, with a delightful lunch prepared by Sherlyn and company.

Next meeting will be July 10. David and Grace Shenk will share about their Christian/Muslim friendships. Etta Esch
